**71-00
ENFORCEMENT AND ADMINISTRATION**

The Commissioner of the Department of Buildings shall administer and enforce this Resolution, except as otherwise specifically provided in the New York City Charter and in this Resolution.

The Department of Environmental Protection shall have exclusive jurisdiction to administer and enforce all provisions of this Resolution relating to air pollution, specifically including the performance standards regulating #smoke#, #dust# and other #particulate matter#, odorous matter, and #toxic or noxious matter# emitted into the atmosphere, in accordance with rules and regulations adopted by the Board of Environmental Protection.
